

How to Pre-Register for Your Carnival Cruise

1. Go to the [Carnival Cruise Lines "Account Creation" Page](#)
2. You will be asked if you have sailed with Carnival before. Select “No” and you will be prompted to create a new account. If you have, select “Yes” and you can enter your VIFP Club number to expedite the process.
3. When creating a new account, enter all required fields and select “Yes” for “**Are you currently booked on a Carnival Cruise?**”. Enter the corresponding information (all of this can be found on your booking confirmation that was emailed to you by your agent). Also select “Yes” for “**Do you have a current booking with a travel agent?**”.
4. Check off that you accept the terms and conditions and select “Join”
5. Carefully read all the information and instructions that follow. Please complete any remaining steps for all passengers on the reservation.

Please note you may be prompted to provide credit card information required for your onboard account. As all transactions are cashless aboard the cruise ship, all purchases are processed with your room key and charged to your onboard account.

At the end of your cruise vacation, your account balance is settled with the credit card provided. If necessary, credit card information may be changed on the day of embarkation.
